

FOX RIVER COUNTRY DAY SCHOOL
A C A D E M I C S ♦ E N R I C H M E N T ♦ E T H I C S ♦ C O M M U N I T Y

February 2009

Dear Parents,

The State of Illinois offers parents the opportunity to file for some reimbursement for the cost of transporting children to school. If you live in Illinois and drive your child more than 1.5 miles to school and your child is in Kindergarten and above, you are eligible to apply.

The following information is needed for FRCDS to file your request with the State of Illinois. You will need to complete this form and return it to me by the last day of school. FRCDS will file your information with the State. The State will send a reimbursement check directly to the address you list on the form below. The Signature and Social Security number must be for one of the parents who will be filing tax information, as this information will be listed with your Illinois State Tax data.

If you have questions, please contact me in the Business Office.

Sincerely,
 Jon Neville
 847-888-7910, ext. 137, jneville@frcds.org
