## Remarks and Reminders

### Contracts

Next year promises to be another year filled with exciting opportunities for academics, enrichment, nature and more. Early return of contracts is necessary to help the school plan appropriately for teacher needs, book quantities, etc. Contracts were due March 1st. If you have returned your child's contract, Thank You!! If you have not, please do so right away or contact the Admissions office to discuss questions you may have.

### 2010 FRCDS Parent Survey

It's time to share your thoughts with us regarding your FRCDS experiences. A link has been sent to you via email to access this survey. You should respond once for each child in your family that attends our school. Every response is valuable! This survey will be open through Thursday, March 11 at 8:00 a.m.

### "Entertainment 2010" books now available at half price!

Entertainment books are now for sale at both the Neil Building and the Administration Building.

A generous donation of these books has made it possible for us to pass an even greater savings to you- by cutting the selling price to only \$10.00, half of the retail price! This book of coupons and discounts is good through 2010. Help support our middle school trips and save money for your family at the same time! Students are encouraged to offer this great savings opportunity to family and friends.

### iGive.com Keeps Growing

We have now earned \$413 through online searches and shopping. Thank you for the support! See our website to access iGive.com as a search tool for your online shopping. Every search you do generates income for our school.

### Lost and Found

Please be sure and check the Lost and Found bins in the Neil Building BEFORE Spring Break. All items not claimed as of Spring Break will be laundered and sent to a local charity. This will also apply to any items left in the Administration Building hallways.

### In Appreciation

Thank you to **EVERYONE** who has helped in any way, large or small, with the excellent production of *School House Rock, Jr.* What an enormous community effort! We so appreciate the patience and cooperation of all the students, parents, faculty and staff. There are far too many contributors to name here, but you know who you are. **THANK YOU!**
